I saw the Will which was written on my
son's pay book I did not read it but my
son told me if anything should
happen to him I was to receive all
he & I had a little talk over the
above matter just before he went
of leave February 2nd 1918
that being the exact date of our
conversation *E/50408/1*
I know he had a Will made of that
I am perfectly certain
the army pay book had a brown
cover & all his money allowance
was written inside, the Will being
at the back of the book
