Dear Miss Duncan,

Your
very welcome letter to
hand. I have applied
to my B. O. for the forms
but there are none avail-
able, so you can write
& ask to have the money
stopped off my pay,
4/- or 6/- whichever you
like, as I will never miss
it & I know it will be
very useful to my mother.
You can tell her that.

(2) I would have sent her some money before this only I have been shifting about from place to place, & our pays are not very regular. Yes, we are having a very exciting time indeed, but I cannot give you any details as it is against the regulations. It is extremely cold here & we feel it very much after coming from a hot country. Ink is unobtainable here, so you

(3) I will understand - & overlook the pencil. I would feel very thankful to you if you could manage to drop me an occasional letter, & let me know how things are at home, as you know my mother is a very poor correspondent, & I will compensate you by bringing you a little memento from Berlin. It is very difficult to write here, but I will send you a card whenever it is possible.
